

Three-Season Gazebos

(Top photo) Double the pleasure with a pair of 16' two tier gazebos – one houses a hot tub, the other for lounging and entertaining. Weathering grey stain creates a maintenance-free exterior and a blend of 4 natural stone veneers provides interesting colors and textures. (Above) This 14' two tier gazebo is shown with optional French grills on customer's foundation.

Enjoy a solitary interlude or a pleasant evening with friends and family beneath the cedar shake roof of your new three-season gazebo and create dreams and memories in your own backyard. Low profile double sliding windows and double doors offer 360° views of the world outside, while inside, comfort abounds. Highest quality windows, floors and siding are just the beginning. Three-season gazebos include pre-wired electrical and a variety of finishes and trims.

Delivery and installation of larger model Garden Getaway Gazebos is included in the base price within our 6-state area (Wisconsin, Michigan, Iowa, Illinois, Indiana and Minnesota). The same quality that goes into our components is also reflected in our assembly methods since some of the same people who create our product components also perform the delivery and installation.

Pie shaped 2x6 tongue and groove cedar deck sections have 4 coats of clear satin polyurethane. Standard 1x12 cedar ceiling has 2 coats applied. The walls have 2 coats of an exterior cedar tone stain applied for durability.

A 16' two tier gazebo holds rustic charm with standard brackets (uppers only) and a blend of 4 natural stone veneers, on customer's deck frame.

Included in the base price is our standard, single-tier roof, which comes with 1x12 knotty western red cedar. Three-Season Garden Getaway Gazebos are wired for ceiling fan/light combination. (Ceiling fans are not included.)

Our Three-Season Garden Getaway Gazebo roofs are constructed with 100% clear vertical grain $\frac{5}{8}$ " taper sawn cedar shakes which provide a natural insulation, keeping the ceiling cool in the summer and retaining warmth in the winter.

An attractive, single tier 16' gazebo with optional louvered cupola and standard brackets.

Cedar shingle siding on the exterior walls and Victorian brackets are the perfect compliments to a 12' two tier gazebo.

Optional insulated glass slider windows for all season gazebos.

Optional French grills give a 12' single tier roof added appeal.
